HOBBIES & INTERESTS

ABOUT ME

 I am currently in my final year studying for a BA (Hons) in Digital Animation, from here I would like to pursue a career in illustration, character design, storyboarding, background painting or animation.

I am both a traditional and digital creative offering a range of transferable skills to be used within the creative design industry. I thrive on new challenges, demonstrate a meticulous attention to detail and am able to meet all deadlines to the highest of quality.
